### Course Description:

This course provides opportunities for students to explore dramatic forms and techniques, using material from a wide range of sources and cultures. Students will use the elements of drama to examine situations and issues that are relevant to their lives. Students will create, perform, discuss, and analyse drama, and then reflect on the experiences to develop an understanding of themselves, the art form, and the world around them.

### Overall Expectations:

#### **Creating and Presenting**

- A1. The Creative Process: use the creative process and a variety of sources and forms, both individually and collaboratively, to design and develop drama works;
- A2. Elements and Conventions: use the elements and conventions of drama effectively in creating individual and ensemble drama works, including works based on a variety of sources;
- A3. Presentation Techniques and Technologies: use a variety of presentation techniques and technological tools to enhance the impact of drama works and communicate for specific audiences and purposes.

#### **Reflecting, Responding and Analysing**

- B1. The Critical Analysis Process: use the critical analysis process to reflect on and evaluate their own and others' drama works and activities;
- B2. Drama and Society: demonstrate an understanding of how societies present and past use or have used drama, and of how creating and viewing drama can benefit individuals, groups, and communities;
- B3. Connections Beyond the Classroom: identify knowledge and skills they have acquired through drama activities and ways in which they can apply this learning in personal, social, and career contexts.

#### **Foundations**

- C1. Concepts and Terminology: demonstrate an understanding of the nature and functions of drama forms, elements, conventions, and techniques, including the correct terminology for the various components;
- C2. Contexts and Influences: demonstrate an understanding of the origins and development of drama and theatre arts and their influence on past and present societies;
- C3. Responsible Practices: demonstrate an understanding of safe, ethical, and responsible personal and interpersonal practices in drama activities.

### Units of Study:

## COURSE EXPECTATIONS AND EVALUATION POLICY

### Welcome to ADA10

#### Attendance

Regular attendance is essential for academic success in school. It is the student's responsibility to inform the teacher beforehand of any planned absences. It is the student's responsibility to get notes assignments and any other information missed while absent from class. This should be done on the student's first day back, either during class, lunch hour or after school. **Any student that is truant the last three days of a semester will not be allowed to write his/her final examination.**

#### Tests

Students must be prepared to write tests on the assigned day. Students who miss a test for no valid reason will receive a mark of zero. Any student who knows that he/she will be absent for a valid reason during a test must make arrangements with the teacher before the period in which the test is to be written. Students who miss a test for any valid reason should be prepared to write the test on the first day back at school or should make suitable arrangements with the teacher on the first day back.

#### Assignments

If a student is absent on the day work is assigned, it is his/her responsibility to get the assignment from the teacher. If a student is absent when an assignment is collected, it is to be submitted at the beginning of the period on the first day back.

#### Late Assignment Policy "Not Done is not Acceptable"

Please adhere to our new HHSS Late Assignment Policy. Students received this in their period one class on the first day of the semester.

#### Plagiarism

Plagiarism is the act of taking someone else's ideas or writing and passing it off as your own. Whatever material students consult in the preparation of essays/projects should be properly credited to the writer or source. Material may be quoted if the student identifies it as a quotation and cites the author. Copying another student's work is cheating, and is also called plagiarism. **A first offense may result in a mark of zero or an opportunity to redo/resubmit the evaluation, after consultation with the student, parent, teacher, department head and school administrator. A second offense will result in a mark of zero, a call home and the student will be referred to the Principal. A third offense will result in a mark of zero and may result in an in-school suspension.**

**Computers are tools for education; not entertainment devices. Students who are not on task may have their computer account disabled for the remainder of the day (or longer.)**

I hereby acknowledge that I am fully aware of the expectations and evaluation in **ADA10**.
