THANK YOU!

At YWCA Peterborough Haliburton, our primary focus is on providing women and children escaping violence with a path to safety and the opportunity for a fresh start.

Every dollar raised at Walk a Mile in Her Shoes stays in Haliburton County and is invested in this work. Your involvement as a walker or donor makes it all possible.

In the past year alone, the YWCA provided:

- answers to 4,888 crisis calls
- counselling to 572 women
- youth programming for 220 girls and boys.

While government support is essential, each year around 40% of our costs are not covered by government investment. Community support is essential in bridging this gap!

Thank you so much for your support!

Until the violence stops, neither will we.
